

Canon Ridge Site

Let me be the first to say Congratulations on your choice to participate in “First Place”, formerly known as the “First Time Homebuyers Program”. This exciting new initiative, offered by the City of Edmonton, has offered a creative alternative directed at addressing the need for available housing for first time home purchasers.

One of the first sites already prepared to start the building process in 2008 will be Canon Ridge, located in Northeast Edmonton. Together the neighborhoods of Overlanders, Homesteader and Canon Ridge make up the community known as Homesteader. Our area is represented by a voluntary board of directors that come together on a monthly basis to work together to address the growing needs and changes happening in and around Homesteader. We represent the voice of the community, attempting to speak on behalf of our membership in a fair and thorough way.

On behalf of the Homesteader Community League Board of Directors, I would like to take this opportunity to welcome you to the area, whether you are a new resident or someone who has been able to buy a home here after dreaming of this day for a long time. I look forward to meeting you or answering any questions you may have in the future about the wonderful and vibrant community you have chosen to be a part of.

Sincerely,

Angie Eleniak
President
Homesteader Community League
